### **Friday May 12th - The Roaring Twenties Jazz Band**

Back by popular demand – they will bring the Jazz Age of the 1920s to life – a time when jazz music and dance styles became hugely popular in Britain. The band recreates this period with a great line up of vocals, piano, drums, bass, saxophone or clarinet and trumpet. Come along, dress in style, have a ball and drink a cocktail. <http://tr20s.co.uk>

### **Friday May 26th - Savage Prunes**

The Savage Prunes are an innovative instrumental trio, performing new music on traditional instruments. Combining the talents of bagpipe virtuoso Callum Armstrong, classical cellist George Paşca, and folk fiddler John-Francis Goodacre, they play complex and compelling music, all of which is newly composed by members of the band. These pieces draw on folk traditions from across Britain and France, as well as more eclectic sources from baroque to pop. <https://www.thesavageprunes.com>
